EPOXY WORKSHOP

10th January 2019
Presented by the
West System International
Technical Staff

ABOUT THE COURSE

WHY ATTEND

Learn the basic concepts of using and handling WEST SYSTEM epoxy in this unique, hands-on, one day workshop.

Everyone attending gains hands on experience in using epoxy, being able to mix as much epoxy as they like and have the opportunity to experiment with the entire range of WEST SYSTEM fillers for bonding, gap filling, filleting and fairing. Delegates will have the opportunity to utilise their new skills and build their very own toolbox. In addition, to using WEST SYSTEM epoxy and fibreglass fabrics to complete a sheathing exercise.

These courses are provided by the Wessex Resins Technical Support Group. There is an open forum at the end of the day that allows the WEST SYSTEM users to ask specific questions regarding the use of epoxy for the construction, repair and maintenance of their own boats.

WHERE

In the West System International Research & Development workshop/Labratory at our Romsey factory where we manufacture WEST SYSTEM Epoxy.

WHEN

Thursday 10th January 2019

COST

This one day course costs £155 which includes a light buffet lunch, over £50 of WEST SYSTEM products, and your toolbox.

WHAT IS COVERED

Topics & Demonstrations will include:

- Introduction to WEST SYSTEM Brand Products.
- Outline of the product range highlighting the uses of epoxy and the products to use for different applications.
- Basic Techniques
- Mixing and Applying Epoxy.
- Using fillers for bonding, gap filling, filleting and fairing.
- Using Glass reinforcement.
- Completing basic repairs to a hull and deck.
- Full details covering Health & Safety issues will be discussed.

Hands on experience:

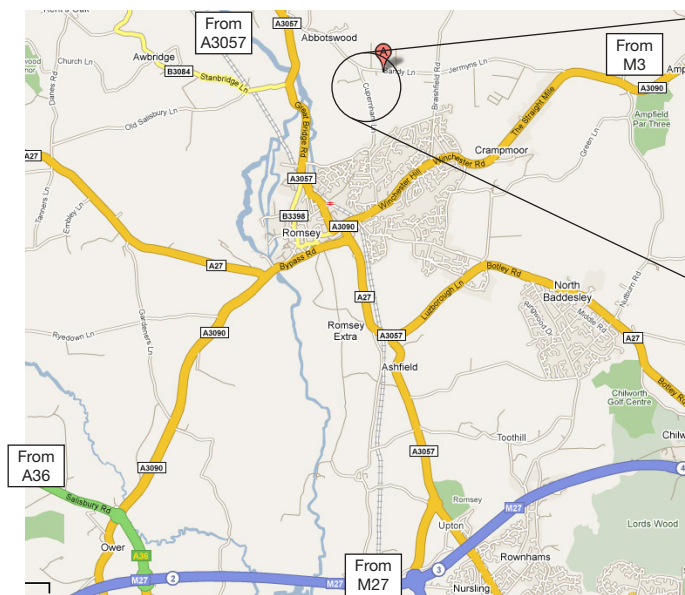

- Build a wooden tool box using WEST SYSTEM epoxy.
- Sheathing with Glass fabric and fairing with filler.

CANCELLATION POLICY

Confirmation will be sent when payment is received. Wessex Resins & Adhesives reserves the right to cancel the course with five days notice. In the event of cancellation by Wessex Resins a full refund will be made. If the delegate fails to attend the course no refund will be made. A proportion of the cost will be refunded if the delegate wishes to cancel and informs Wessex Resins at least seven days prior to the date of the workshop.

DIRECTIONS

Sat-Nav - Use postcode SO51 7LF. This takes you to Cupernham Lane. The entrance to Wessex Resins is first right in the Belbins Business Park. **CARE: SAT NAVS DO NOT ALWAYS WORK IN THIS AREA.**

From the M27 (Portsmouth, Poole, Bournemouth)

Exit at junction 3, signposted for Romsey and Broadlands, and follow signs to Romsey. You will travel alongside a long brick wall (Broadlands Estate) followed by Romsey Rapids Leisure Centre on the left. At the roundabout, take the second exit (straight across), then take the second exit at the next roundabout towards Winchester. After the two railway arches, turn left into Cupernham Lane. Take the second exit at the roundabout, continuing along Cupernham Lane. Belbins Business Park is on the right at the top of the hill.

From the M3 North (London, A34, Surrey & Sussex)

Exit at Junction 12. At roundabout take the first exit left. At the mini roundabout, turn first left again onto a bridge over the motorway. At next roundabout take the second exit (right) and follow the signs for Ampfield (Hocombe Road). At the end of Hocombe Road (crossroads) go straight across into Hook Road, follow this to the end. Turn left onto the A3090 towards Romsey (The Potters Heron Hotel is on the left).

Go through the village of Ampfield, (Keats Restaurant on the right and the White Horse Pub on the left). After exiting the village, take the right turning at the top of the hill into Jermyns Lane, sign posted Hilliers Garden Centre and Timsbury. Follow this road to the crossroads. Go straight across into Sandy Lane. Take the next left into Cupernham Lane and Belbins Business Park is 75m down on the left.

From the A36 (Salisbury)

Head east on the A36 until you reach the roundabout at Ower. The first turning is services and McDonalds. Take the second exit (A3090) and follow the signs to Romsey. At the first mini-roundabout on the outskirts of the town, take the second exit (straight over). You will see the entrance to Broadlands House on your right.

At the next roundabout take the first exit, turning left. At the next roundabout take the second exit towards Winchester. After the two railway arches, turn left into Cupernham Lane. Take the second exit at the roundabout, continuing along Cupernham Lane. Belbins Business Park is on the right at the top of the hill.

From the A3057 North (A303, Stockbridge, Andover)

Continue along the A3057 until Timsbury. On exiting the village take the first turning left after the layby into Yokesford Hill. Continue and turn right into Cupernham Lane (signposted Romsey). Belbins Business Park is 75m down on the left.

ADDITIONAL LOCAL INFORMATION

Information regarding local Hotels & B&B along with taxi companies will be sent out with confirmation of booking.
